

song

A good idea

You're ¹ asleep / awake in bed, and your mum says

'Why don't you get up and go to school?'
You go on the bus – your friends talk a lot
So you listen to music on your phone.
In class, at the back you're talking to your friends

And your teacher tells you off again

You think:

'I often just want to go home
I always want to stay in bed
And be alone.
Sitting on the sofa,
In front of the ² TV / computer
Is a good idea for me
Sounds like a great idea to me.'

You see your dad in town, and he says to you
'How about going for a walk?'
Then you go out to a ³ restaurant / café and eat fast food
And he says 'Let's finish your homework'
But you don't really feel like studying now –
You prefer playing video games.

Then next ⁴ month / week you're on holiday.
You always love being on holiday.
What will you do on holiday?
You feel like doing everything!

You get up ⁵ late / early and your mum says,
'Why don't you go out to the park?'
So you get your things, and you call your friends

And you play sports all ⁶ afternoon / morning
Your dad wants to go out to the cinema
So you run home from the park, and you go in the ⁷ car / bus.

And you think:

'I always want to stay awake!
I love to be with friends
And my family!
I want to play all ⁸ night / day
I never want to sleep.
Sounds like a good idea to me
Yeah, that's a great idea for me'
